I. Read and confirmed the Proceedings of the last meeting of the Board held on 20th September 1911.

II. Read and passed the accounts of receipts and expenditure for the months—February to June 1911, audited by the Comptroller.

III. Read General and Revenue Secretary's docket No. 4040—L. B. 50-11-3, dated 27th November 1911, enquiring whether sanction of Government was obtained for the execution of the non-budgetted work, *viz.*, improving the well at Ittikadibbanahalli and (2) vernacular correspondence ending with the Maddagiri Taluk Amildar's report No. 153, dated 15th December 1911.

Resolution.—As it was represented both by the Amildar of Maddagiri and the Sub-Divisional Officer, Maddagiri Sub-Division, that the villagers were in urgent need of drinking water owing to the insufficient supply of water from a solitary

well that is in the village, the estimate for Rs. 160 for the well work in reference was sanctioned, in anticipation of Government sanction by reappropriating the sum of Rs. 164 allotted for the repairs of musafirkhanas in the taluk. In these circumstances, sanction accorded to the execution of the well work referred to may be kindly approved of by Government.

IV. Read Government Proceedings No. 4345-6—L. B. 74-11-9, dated 13th December 1911, sanctioning, subject to the approval of the Board, the execution of certain well works out of Local Funds General grant.

Resolution.—The execution of the works referred to is approved.

V. Read Senior Surgeon's docket No. 1950-57, dated 15th November 1911, requesting to intimate the amounts that the Local Boards concerned agree to place at the disposal of the Public Works Department for the construction of quarters for the Hospital Assistants and midwives out of the sanctioned provisions therefor in the current year's District Fund and Municipal budgets.

2. Tumkur Division Executive Engineer's letter No. 421, dated 23rd November 1911, stating that the Superintending Engineer has sanctioned an estimate for Rs. 4,441 for constructing quarters for Hospital Assistant and midwife at Pavagada, and requesting that the sum of Rs. 950, being the Municipal quota therefor, may be arranged to be paid; and

3. Senior Surgeon's docket No. 2264, dated 4th December 1911, addressed to the Tumkur Division Executive Engineer returning countersigned a supplemental estimate for Rs. 408 being the amount of compensation payable for the land required for constructing Hospital Assistant's and midwife's quarters at Pavagada.

Resolution.—A sum of Rs. 2,000 being the District Fund quota of contribution towards the construction of quarters for the Hospital Assistants and midwives at Pavagada and Huliyar, provided in the current year's District Fund budget as per Executive Engineer's requisition is sanctioned by Government. From the communications read above, it is seen that during the current year the construction of quarters for the said Medical subordinates is proposed to be undertaken only at Pavagada. As the Municipality of Pavagada is now working with a minus balance, it is unable to bear its quota if the proposed construction of quarters at Pavagada is taken up first. As per Government Proceedings No. 7041-53—L. F. 117-93, dated 16th October 1893, the straitened circumstances of the Pavagada Municipality will have to be brought to the notice of Government and their orders will have to be taken to meet the Municipal quota from the Provincial Funds, as the District Board with their present finance find it difficult to provide funds for urgent and necessary public works that have to be carried out in the district. The estimate for the quarters at Pavagada as prepared by the Executive Engineer and sanctioned by the Superintending Engineer amounts to Rs. 4,441, whereas the construction of quarters as per type plans referred to in General and Revenue Secretary's letter No. 1327-34—Med. 18-07-28, dated 6th August 1908, was estimated to cost of Rs. 3,000, (Rs. 2,000 for Hospital Assistant's quarters and 1,000 for that of midwife's). The reasons for exceeding the above fixed cost towards the quarters in question, have not been explained. The total amount that is proposed to be spent during the year on the construction of quarters at Pavagada, as per communications read above amount to Rs. 3,408. The District Fund quota towards them will be Rs. 1,136. If the Public Works Department are confident that they will utilize all the proposed sum of Rs. 3,408, the Board are agreeable to pay their quota out of the provision of Rs. 2,000, sanctioned in the current year's District Fund budget for the construction of quarters for the Medical subordinates.

VI. Read correspondence ending with Tumkur Division Executive Engineer's letter No. 434, dated 30th November 1911, *anent* the repairs to the tunnel of right sluice channel of Nonavinakere tank.

Resolution—If funds can be found by reappropriation out of the sanctioned grants under A. P. W., the proposed work may be done.

VII. Read Tumkur Division Executive Engineer's letter No. 418, dated 21st November 1911, forwarding a reappropriation statement providing funds for certain non-budgetted works out of the grants sanctioned under A. P. W.

Resolution.—The proposed reappropriation is approved and sanction of Government may be applied therefor.

VIII. Read Executive Engineer's letter No. 370, dated 28th October 1911, furnishing opinion on certain subjects brought forward by the Dasara Representative Assembly Members at their preliminary meeting held in August 1911 and referred to the Board.

Resolution.—The proposed reappropriation is not feasible. The savings pointed out may be spent on well work. The musafirkhana referred to may be repaired at a cost of Rs. 200 as sanctioned in the budget.

XV. Read Maddagiri Sub-Divisional Officer's yadi No. 48, dated 25th November 1911, soliciting sanction to the construction of a tunnel in Kodigenahalli Union at a cost of Rs. 95 and proposing that the same may be met out of Rs. 100 provided under "other charges" against that Union in the current year's budget.

Resolution.—Approved.

Read Maddagiri Sub-Divisional Officer's yadi No. 25, dated 14th October 1911, soliciting sanction to the execution of repairs to the cart-track leading to Midagesi village from the Tumkur-Bellary road and proposing that the cost thereof, *viz.*, Rs. 80, will be made available by reappropriating the sum of Rs. 80 provided under "other charges" against the Midagesi Union in the current year's budget.
